

By confirming a charity place in the Cardiff Half Marathon, you are agreeing to the terms and conditions listed here.

1. Eligibility

You must be aged 17 on the date of the event (Sunday, 3rd October 2027).

You understand that you are taking part entirely at your own risk, you are in a fit state of health and will undertake the necessary training and preparation for the half marathon, seeking medical advice where needed.

You agree to follow all Run 4 Wales event rules and safety guidance.

2. Registration

Once you sign up via our website, you will receive confirmation of your charity place from our Fundraising team if successful. You will then be sent a payment link for your sign-up fee of £20 and directed to complete the official Run 4 Wales registration. Your registration will not be fully confirmed until the official Run 4 Wales registration is complete.

Please note that places are non-refundable, non-transferable and cannot be sold or assigned to another person.

3. Fundraising

By confirming a charity place in the Cardiff Half Marathon for Cardiff City FC Community Foundation, you agree to raise a minimum of £250 (excluding Gift Aid).

This fundraising target will ensure that the cost of your place is covered, and funds raised will directly support our work to change lives and transform communities across Cardiff and beyond.

We kindly ask that at least 50% of your fundraising target (£125) is raised by six weeks before race day. The full minimum fundraising pledge of £250

must be raised and paid to Cardiff City FC Community Foundation within three weeks after the event.

Once you have registered and your place is confirmed, we will work with you to set up your fundraising page. Enthuse is Run4Wales' preferred fundraising platform provider and can be used to share your story and any updates from your training.

Fundraising can also be paid to Cardiff City FC Community Foundation via other fundraising platforms such as JustGiving, or by bank transfer, cash or cheque made directly to Cardiff City FC Community Foundation.

If you feel that you may struggle to reach your fundraising target, please reach out to the fundraising team on fundraising@cardiffcityfc.org.uk as soon as possible for tips, guidance and support.

4. Withdrawal

If you need to withdraw from the Cardiff Half Marathon 2027, you must notify our Fundraising team on fundraising@cardiffcityfc.org.uk as soon as possible.

If we cannot reallocate your place, we will still expect you to raise or contribute the minimum £250 to ensure the charity does not incur a loss from your charity place.

Any sponsorship already raised will be treated as a donation to Cardiff City FC Community Foundation unless your donors request otherwise.

5. Updates and Communication

We will contact you frequently throughout your fundraising journey to offer support and guidance.

If we do not receive any communication from you, or see any fundraising progress, by 3 months in advance of the event, we reserve the right to withdraw your charity place with no refund of the fee. If this happens, you will be notified in writing.

6. Fundraising Conduct

You must comply with the Fundraising Regulator's Code of Fundraising Practice.

7. Consent

By registering for the event with Cardiff City FC Community Foundation, you accept that we will share your personal details (name, email address, phone number) with Run 4 Wales and the Cardiff Half Marathon 2027, so that the event organisers can email you to officially register your place.

During the event, photos and videos may be taken for use on our website, social media and marketing materials. Please let us know if you would prefer not to feature in these.

Your contact details will be used only for purposes connected to the event and your fundraising.
